DEVELOPMENT UPDATE – JANUARY 2026

This update provides information on *notable* development projects and long-range planning efforts led by the Planning Division. It is organized by long range/policy planning projects, development projects which are under review and have not been approved, development projects which have been approved, and development projects which are under construction. Projects containing two or more residential units that are 100% residential, mixed-use developments where at least two-thirds of the square footage is residential, Transitional housing, Supportive housing, and Emergency shelters, are generally subject to the Housing Accountability Act and the provisions of Senate Bill 330 (Housing Crisis Act). Each project subject to State Housing Laws, such as Senate Bill 35 (Streamlined Ministerial Review) and Assembly Bill 2011 (Affordable Housing and High Road Jobs Act), has a note next to the project description.

For inquiries about a specific project (including upcoming public meetings), you can click on the project planner's name to email them directly or click on the project website, if available. Staff reports, plans, and other project-related documents for projects that have been approved or are under construction can be found on the City's [website](#) by searching under the approval date. A map is also included at the end of the document, which shows the location of each project within the City.

LONG-RANGE/POLICY PROJECTS

1. R3 (Multiple-Family Residential) Zoning Code Update

Update of the R3 (Multiple-Family Residential) zoning district standards to consider incorporating form-based development standards, incentivizing stacked flats, and updating the rowhouse guidelines. The project includes public outreach, creation of form-based development standards, a design handbook, and Study Sessions with the Environmental Planning Commission and City Council.

- City Webpage: [R3 Zoning Update](#)

2. Historic Preservation Ordinance and Register Update

The Historic Preservation Ordinance and Register Update includes updating the City zoning standards regarding historic resources and the Mountain View Register of Historic Resources, which identifies all historically significant properties in the City. The update includes the creation of a Historic Context Statement, a citywide survey to identify eligible historic resources, and consider nominations for Castro Street buildings on the National Historic Register. The process includes public outreach and

upcoming meetings with the Environmental Planning Commission and City Council.

- Project Planner: [Elaheh Kerachian](#)
- Webpage: [Historic Preservation and Register Update](#)

3. **Downtown Precise Plan Comprehensive Update**

The update project includes a comprehensive update to the P(19) Downtown Precise Plan to align the plan to the City's vision for Downtown. The update includes developing objective development standards, evaluating current design standards, land uses, parking, signage regulations, and other strategies. The process includes public outreach and Study Sessions with the Environmental Planning Commission and City Council.

- Project Planner: [Diana Pancholi](#)
- Webpage: [Downtown Precise Plan Comprehensive Update](#)

4. **Moffett Boulevard Precise Plan**

The project includes preparation of a new precise plan for the Moffett Boulevard project area, an area of approximately 82 gross acres, located along both sides of Moffett Boulevard north of the Downtown area and Central Expressway to Highway 85. The project will establish development standards for the project area, including land use mix, density and intensities, objective development standards, streetscape and design standards, signage regulations, parking and transportation demand management regulations, and public art and placemaking requirements. The project also includes four "Future Study Areas" in which there will be no changes to allowed land uses or densities as part of this precise plan process. The "Future Study Areas" include properties located at 500 W. Middlefield Road (Willow Park residential condominiums HOA), 555 W. Middlefield Road (AvalonBay Apartment Communities), 500 Moffett Boulevard (Shenandoah Square, which is not within the City's jurisdiction and is federally owned), and the Santa Rosa-Willowgate-Horizon-Central Avenue block. The process includes public outreach and Study Sessions with the Environmental Planning Commission and City Council.
